

HOW WE RESPOND TO ANTI-SEMITISM:

1. THIS IS **NOT** THE 1930's: Be brave and courageous

2. BE A PROUD JEW

- Wear your Chai and/or Star of David proudly
- Hang mezuzahs on your doorposts
- Light your Chanukah menorah in the window of your home
- Invite people to join you when you are doing something Jewish
- When discussing Israel, announce:
I SUPPORT THE EXISTENCE OF A JEWISH STATE
- Be confident to discuss anti-Semitism; dinner parties, school, work, and your political party. **THE GOAL IS JEWISH UNITY!**

3. SHOW UP AND DEFINE YOURSELF AS A JEW

- Join us at TBJ to define your spiritual self and take classes to define your intellectual self (TBJ.org)
- Travel with us to Israel, we travel together every year
- Send your children to religious school
- Join us at the AJC Global Forum

4. DON'T LET THE HATERS HATE, SPEAK OUT

- **Respond on the College Campus:** Israel on Campus Coalition (israelcc.org) | Academic Engagement Network (academicengagement.org) | Hillel (hillel.org) | Maccabee Task Force (maccabeetaskforce.org) | StandWithUs (standwithus.com) | The David Project (davidproject.org)
- **Respond with Ally Organizations:** AIPAC (aipac.org) | ADL (adl.org) | AJC (www.ajc.org) | JFNA - Israel Action Network (jewishfederations.org)
- **Respond with Interfaith Allies with Common Values:** Auburn Seminary (auburnseminary.org) | Sisterhood of Salaam Shalom (sosspeace.org) | AJC Muslim-Jewish/Latino-Jewish Task Forces (ajc.org)

5. GET INVOLVED IN YOUR COMMUNITY

- Contact your elected federal and local officials, let them know anti-Semitism is unacceptable and they will lose your vote if they don't stand up to hatred.
